SCHOOL

Middle School

This year's list looks very different from previous years. Due to covid-19, we will not have shared supplies this year (such as markers, etc.) and are asking students to bring their own. However, we will not ask families to send in shared supplies as we have in the past, such as antibacterial wipes or lined paper. We are preparing for all scenarios and all MS core teachers will use Google Classroom as a digital classroom space, both in the classroom and from home.

On Campus:

- A nutritious midday snack and lunch, packed in a labeled lunch bag
- Labeled water bottle-- required, as water fountains will not be in use except to refill bottles
- Mask or face covering of some kind
- A three-prong pocket folder with paper for music class
- Graph paper composition book

Remote Learning or On Campus:

- Labeled pencil pouch with pens, pencils, erasers, markers, scissors and highlighters. We will not have shared supplies this year.
- Student planner-- physical or digital
- Small binder (.5-1 inch) with college ruled lined paper
- Personal device, such as a laptop or iPad. Student should be familiar with this device, as we will use it both in the classroom and in the event of remote learning. Devices are available for long-term check out from school; please email Nicole if needed.

Helpful to Have at Home:

- Dictionary
- Ruler
- Spanish/English dictionary
- Post-it notes and extra note paper
- Dedicated work space with school materials

Please note that for Humanities, we typically ask families to purchase or use the library to obtain novels for their student throughout the year. Though we may have some copies at school, it is often easier when students have personal copies.

More than anything else this year, we will need patience and flexibility. We learned a lot of important lessons in the spring and are ready with fresh ideas. That said, we know that every day brings new information, so we thank you in advance for your support.
