**1. Publicity Release:** Community School uses student photos and work in school publications (newsletter, annual report, etc.) and on the school website [www.communityschool.net](http://www.communityschool.net). It is understood that students are never identified by name on the website. Students' names do, however, accompany the photos in school publications.

Local media (newspaper, television stations, etc.) occasionally feature Community School students in photos and stories about the school. Community School is not responsible for students' names listed in local media.

**If you do not wish Community School to use your child's photo in school publications, in the media, or on the school website, you must notify the office in writing **by the first day of school, September 1, 2021.****

**2. Educational Partnership Release:** As an educational institution, we partner with local colleges and universities to support future educators. *The undersigned grants permission for their child/children to work with college/university students involved in internships, student teaching, and/or educational coursework.*

### ACKNOWLEDGMENT OF RISK AND RESPONSIBILITY

The following are symptoms of COVID-19 currently known to the World Health Organization and the Center for Disease Control and Prevention. **You understand that for the safety and well-being of all who come to school, you will not enter, or send children to school, if you/they have any of the following:**

***New cough, Fever or chills, Shortness of breath or difficulty breathing, New loss of taste or smell, Headache, Sore throat, Muscle or body aches, Nausea or vomiting***

Community School has taken protective measures to reduce the risk of exposure to COVID-19 on school premises, but we cannot guarantee that no one will be exposed to COVID-19. COVID-19 is highly contagious and mainly spreads from person to person through respiratory droplets, which are expelled when a person with COVID-19 coughs, sneezes, or speaks. People can contract COVID-19 if they breathe in these droplets or possibly if they touch them after they have landed on objects and surfaces and then touch their own mouth, nose or eyes.

By signing this document, you acknowledge and voluntarily assume the aforementioned risk and agree that you and everyone in your household will comply with the COVID-19-related precautionary measures set in place at our school.

**By coming on our campus, all employees, students, parents, and authorized visitors, acknowledge the following:**

- ✓ Your temperature is under 100.4 degrees and has been without any fever reducing medicines for the last 48 hours; and
- ✓ You or anyone in your household does not have a new onset of any COVID-19 symptoms
- ✓ You or anyone in your household who has exhibited any COVID-19 symptoms has been symptom free for 14 days, or has since tested negative for COVID-19 and
- ✓ In the past two (2) weeks, you have not been exposed - less than six (6) feet for greater than 15 minutes over 24 hours - to anyone who has tested positive for COVID-19 without wearing the appropriate Personal Protective Equipment (PPE) as defined by the Centers for Disease Control and Prevention.

If anyone is exhibiting COVID-19 symptoms on school property, he or she will be required to leave and will not be permitted to return to school property until it has been 10 days since the first symptoms appeared and 48 hours with no fever without the use of fever reducing medications **and** other symptoms of COVID-19 are improving. In the event that virtual instruction is necessary at any point of the 2021-2022 school year tuition will not be reduced or refunded.

The above policies help us maintain a safe environment in our school buildings and minimize the risk of spreading COVID-19 (or any viruses) within our schools. By signing below, you acknowledge the risks and agree to the entirety of this document.
